

Supply List For Waterfowl Hunters

- Passport
- Good Head lamp
- Lighter or matches
- Thermal Cell (You can't fly with butane cartiges but we will buy them at Cabelas when we stop)
- Mosquito Spray
- Mosquito face net or camo face mask so the geese can't see your face
- Face paint
- Waterproof boots
- Waterproof outerwear
- Clothes, temps will range from 25°F to 80°F
- Shoes or slippers to wear in camp
- Knife
- Gloves
- Back Pack
- Camera
- Shotgun Sock to protect your shotgun
- A check in case you want to rebook for the next season. I give all my repeat hunters first pick to keep their spots before I let new guys in but the deposit has to be paid before you leave.

-We can buy your shotgun shells at Cabelas when we stop there Sunday morning

-I also rent out shotguns if you dont want to bring your own. I rent semi auto Beretta A 400's and Benelli Super Nova pumps.
