

Supply List For Waterfowl Hunters

MUST HAVE:

- Passport
- Good head lamp
- Lighter or matches
- Thermacell (You can't fly with butane cartridges but we will buy them at Cabelas when we stop)
- Mosquito spray
- Mosquito face net or camo face mask so the geese can't see your face
- Face paint
- Good pair of boots (we always hunt in fields but sometimes it can get a little muddy)
- Waterproof outerwear
- Clothes, temps will range from 25°F to 80°F
- Shoes or slippers to wear in camp
- Knife
- Gloves
- Backpack
- Shotgun sock to protect your shotgun

STUFF YOU NEED TO KNOW:

- ✓ Bring a check in case you want to rebook for the next season. I give all my repeat hunters first pick to keep their spots before I let new guys in but the deposit has to be paid before you leave.

- ✓ I also rent out shotguns if you don't want to bring your own. I rent Semi-Auto Beretta A400's and Benelli SuperNova Pumps.
